

Library & Recreation Services Programs

The City of Millersburg has a long standing policy of reimbursing City residents' expenses up to a maximum of \$40.00 per household on an annual budget calendar basis for Albany or Jefferson public library membership fees for library services, and 80% of fees for recreation services provided by IRC 501 (c) (3) corporations up to a maximum of \$200.00 per household, on an annual budget calendar basis.

Reimbursement under this policy is limited to Albany or Jefferson public library membership fees and for recreation services provided by IRC 501 (c) (3) corporations as long as budgeted City funds are available.

Requests for reimbursement must include a receipt from the provider for services and must clearly identify that the reimbursement request meets requirements outlined above.
